

Aimpoint-SSM is a Minority and Service-Disabled Veteran Owned and operated supply business that procures supplies and materials on behalf of organizations operating in the disaster response organizations, oil, construction, industrial, medical, utility, safety, and government (all levels) industries.

WE'RE NOT JUST SAFETY!

EXPERIENCE

Aimpoint-SSM provides years of combined experience in the procurement of materials and supplies that meet or exceeds client specifications and are compliant with state and federal regulations. By ensuring organizations are compliant through the materials and services they procure, we help mitigate safety, control risk, and avoid costly penalties for non-compliance. Experienced in working with Diverse Supplier Schedules and Forecasting.
